

SHIH HSUAN LO

HOSPITALITY / ADAPTIVE REUSE / FURNITURE DESIGN

BROOKLYN, NEW YORK

EXPERIENCE

Freelance - Interior Designer

Aug 2025 - Jan 2026

- Led concept through completion for YingLi Tea House, a realized hospitality project in Taiwan.
- Coordinated client presentations, material decisions, and construction execution across time zones.
- Balanced design intent with budget, existing-building conditions, and on-site requirements.

Celano Design - Interior Design Intern

Jul 2025 - Aug 2025

- Supported hospitality and commercial projects through concept development, FF&E, and material research.
- Produced AutoCAD drawings, Rhino models, renderings, and client presentation packages.
- Documented site conditions and coordinated with contractors during project visits.

Studio RAI Architects - Interior Designer

May 2024 - Jun 2025

- Developed construction documents, 3D models, renderings, and FF&E drawings for interior projects.
- Contributed to design decisions, client meetings, and presentation development.
- Documented completed work and organized material for studio portfolios.

One Plant Interior Design - Assistant Interior Designer

Jan 2023 - Jun 2023

- Supported interior projects with AutoCAD drawings, SketchUp models, and design development.
- Assisted with material selections and project coordination.
